

Дорогие будущие семиклассники!

Поздравляю Вас с окончанием учебного года! Желаю вам хорошо отдохнуть на каникулах. Надеюсь, вы найдете время и выполните задание по английскому языку.

1 Write as many summer words in the box (e. g. sunglasses, beach, snorkeling, camping) as you can:

2 Get ready to tell your class about your summer holidays this year. You can make a short presentation (3-5 slides) to illustrate your story. Remember to bring your presentation to our first class in September!

You can speak about:

- places you visited
- interesting things you saw
- some new food you ate
- sports/activities you did
- any books you read or films you saw

You can use these phrases:

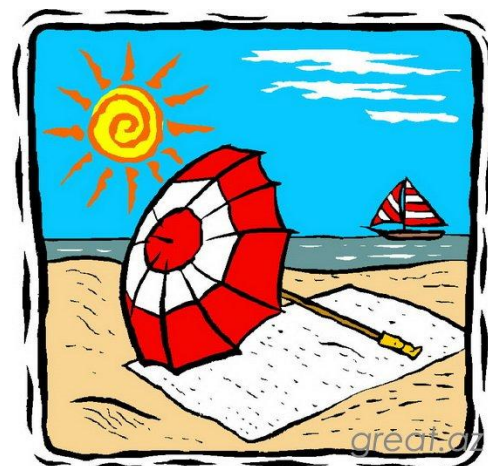

This summer I went to/travelled to/visited.....

I had to stay in Moscow/ in town because.....

In (Turkey/Greece/.....) I saw/played/did/visited.....

I went (surfboarding/snorkeling/fishing.....)

I ate.....
